Mr. B. H. Crago

To Mr. Benjamin H. Crago, biologist, teacher, gentleman-fisherman and friend of the student; to a thoughtful and encouraging teacher, a wise counselor, a loyal kind-hearted friend—to you, Mr. Crago, in appreciation of all that you have done for us, we the students of Cumberland Township High School dedicate this publication of the Cumberlander.

Mr. Crago, This is Your Life

Mr. Crago, one of Greene County's best known teachers will retire this June ending a long career which began in 1908.

During his teaching career, Mr. Crago has also served as principal of both Cumberland Township and Mapletown High Schools and also of the Nemacolin Grade School. He organized and sponsored the first basketball team at Cumberland Township High.

Mr. Crago's first teaching job was at the Connor School near Paisley, after passing the county examination. He taught in rural schools for two years and then decided to attend California Normal School where he was graduated in 1913.

His next teaching job was at Cumberland Township High School which is now the Central Grade School located in Carmichaels, Pennsylvania.

Called to service in World War I with Company K, Mr. Crago returned from France and began teaching in the new Nemacolin Grade School. He was there two years, with one of these as principal, before going to work at the Nemacolin Mine.

His like for traveling took Mr. Crago to North Dakota where he was principal of the White Ash School for one year and principal of the Eden Valley School for the same length of time.

Mr. Crago came back to Carmichaels in 1923, but not as a teacher. His love for flowers led him to accept a position as manager of the Pennington Brothers Greenhouse. After this he again began to teach at Cumberland Township High School. During his second year here, school was moved to the building it now occupies.

In 1913, Mr. Crago moved to Mapletown High School where he was principal for eight years.

Eight years later Mr. Crago built and operated Crago's Ice Cream Shop at Fairdale. In 1943 he accepted his present position as biology teacher at Cumberland High.

Mr. Crago is certified as both a high school principal and supervising principal. At various times, he has taken courses at West Virginia University, Pennsylvania State College, and Washington and Jefferson. He received his Bachelor of Science degree from Pennsylvania State College.

Mr. Crago was the first scoutmaster in Carmichaels, heading a troop which was organized shortly before World War I. He has been an elder of Glades Church for 39 years.

Active in community affairs, Mr. Crago was in charge of all observation posts in Eastern Greene County during World War II. He has also served as a school director in Carmichaels Borough Council and at present is serving his second term on Borough Council.

He is a charter member of Cumberland Post No. 400, American Legion. At the present he holds the offices of vice commander and historian. He also is a member of the V.F.W. post.

A 32nd degree Mason, Mr. Crago belongs to the Masontown Masonic Lodge. He is a member of the Greene County Chapter of the Izaak Walton League and the Rotary Club.

He is married to Ruth McGuffie of Deep Valley who was a classmate in college, and who at the present is the Librarian at Cumberland High.

After retirement, Mr. Crago is planning a life of leisure, which will be fishing and growing roses.

Farewell

How can we tell you?
Where can we start?
We regret that it's true,
And it breaks our heart.
This spring we shall leave you,
Dear classmates and friends.
Our four years we knew,
Would come to an end.
To one who now joins us
In saying adieu,
We're making a fuss
To show we'll miss you.
As instructor and friend,
Mr. Crago, you're grand;
We shall ever contend,
You're the best in the land!

MR. CRAGO —

Everybody knows you,
No matter who they are.
Your goal, we know, has always been
Beyond the farthest star.

As a teacher, you were sometimes strict,
As a friend, you're full of fun.
To know you is a pleasure,
We are the lucky ones.

No matter where you go from here
Or whatever you may do,
There's something we would like to say,
"Good-bye, Good Luck, God Bless You."

Football

After winning the first WPIAL Championship in the history of the school, Coaches Al Cree and Fred Stuvek again put one of the finest football aggregations ever assembled at C. T. H. S. on the field in 1953.

With majority of the boys back from the championship team the Mikes again went undefeated and untied for the second straight year. This team was thought to be even better than the one that won the Class B toga, but again, as in 1948 a deficiency in Gardner points kept the Mikes out of the running.

Our first fracas came when the Creeman journeyed to South Union. Although the Blue Devils were determined and hard fighting, it took more than determination to overcome the powerful Mikes, as they took home their first victory 39-0. This marked the twelfth straight victory in their present string.

East Beth brought a formidable eleven to Carmichaels the following Friday, but again the Mikes were ready and willing as they racked up the Fredricktown boys to the tune of 32-6.

The Gunners of Masontown came to town next

seeking revenge for last year's humiliating 45-0 defeat, but the Mikes also showed the Gunners a few tricks as they pounded their way to a hard fought 34-7 victory.

The Mikes hit the road as they traveled to Monaca, a Class A school, where the Monaca boys gave the Mikes a rough battle but couldn't overcome the powerful Mikes on this occasion as they went home mourning a 34-14 loss.

The Mapletown squad started off from the beginning throwing passes to overcome the strong Mike line, but this manuever failed as the Mikes handed the Maples a hard hitting 34-13 loss.

A perennial powerhouse came to town next as the Mikes took on Jefferson, who at the time were with the Mikes the only two unbeaten teams in the county. But the Mikes were not to be denied as they took advantage of the breaks of the game and squeezed through to a 14-7 win over the Jeffs.

Waynesburg Hi greated us next, but as the game wore on the greetings wore off. But the Raiders proved to be little trouble to the Mikes as they went home sporting a 31-6 victory. Our winning streak was now 18 straight.

Travelling to Fayette County for our next engagement we soon found out that the Brownsville Brownies had no respect for winning streaks as they poured on the coal but the Mikes saw to it that they didn't have anything with which to burn it as they knocked off the Class AA school 25-14.

Little Mt. Morris showed up the next week and the Mikes had little trouble handling the Greene County School as they soundly trimmed the Mounters hair 41-13.

Basketball

With only three regulars back from last year's squad, Coach Al Cree put together once again a contender for the sectional toga.

The Mikes started off weakly but came back and by the middle of the regular season, succeeded in obtaining a first place tie.

But then the last two weeks proved to be fatal as the Mikes lost their last two engagements to Centerville and Bethlehem Joint which lowered the Mikes into second place.

This year's team was an aggregation of potentialty but the Mikes' opposition was just bigger, taller and faster.

Senior Jack Kesock led the Mikes as high scorer with a total of 425 points, which included 39 points in a single game, a record for a single game. Jim Walter, Larry Krutko, and Tommy Colbert each hit triple figures in scoring.

Coach Cree will lose six men which includes Kesock, Krutko, Colbert, Haught, Johnson and Visnesky.

Baseball-1953

The Mikes, led by Sloneker's pitching and Colbert's pitching and hitting, retained the Greene County Championship and entered into the WPIAL playoffs. Sloneker and Colbert were the leading pitchers with records of 6 wins and 3 losses, and 2 wins and 0 loses respectively. The leading batter was Colbert with 15 hits for 33 times at bat for a .455 average. Jimmy Kessler was second with .384, and Sloneker was third with .371. The Mikes finished the regular season with 7 wins and 1 loss, which was a good enough record to put them in the playoffs.

In the first game of the playoffs, the Mikes defeated the Centerville Wildcats by a score of 6 to 3. In the next game, we played McKeesport, but were defeated by the pitching skill of Qualters, the McKeesport mound ace. The score of this game was 4 to 1 against us.

The team lost six players by graduation, namely Kessler, Jazwa, Urda, Gray, Kaprive, and Krosinger, but the rest of the team hope to carry on the name of the school.
